Victoria Seacoast Hotel, Shenzhen

深圳维多利亚海岸酒店

The Victoria Seacoast Hotel, Shenzhen, which opened in 2010, is a high-standard business hotel for guests who value quality and service. The modern, inviting design coupled with the serial offerings of residential, catering, commercial and entertainment spaces make the hotel a sanctuary of elegance and superiority. It is located in the Coastal Cavanaugh Building, where the two main arteries of Shenzhen traffic — Shennan Road and Qianhai Road — meet. The hotel is called "the first hotel in Nantou". It offers convenient transportation. It is within walking distance from national 4A-level tourist attractions. These include Window of the World, Folk Customs Villages, Happy Valley and the Ancient City of Nantou. The hotel is adjacent to the National High-tech Industrial Base and Nanshan Qianhai Logistics Park. It boasts

139 elegantly and luxuriously equipped rooms and suites and an impressive array of business facilities. These include exquisite Western-style restaurants, fully equipped meeting rooms and multifunctional business centers. The hotel offers quality services, recreational options and a pleasant environment.
